Re: Letter of Invitation for Victoria Mocelin De Oliveira, Passport No: FX594713

Dear Sir/Madam,

My name is Dashel Schueler, and my place of residence is at 3149 35th Ave S, Seattle WA, United States. I am sending this letter so that it may act as support for the visa application for Victoria Mocelin De Oliveira. I am a United States citizen, and Victoria is a citizen of Brazil, living at Rua José Luís Caetano de Souza, 136 - Rincão do Cascalho. Portão- RS 93180-000. We have known each other since 2018, and she came to live with us at the beginning of 2019 on a J1 visa. During that time, we became very close and have been hopeful that she might be able to return to spend time with our family at some point. We were very excited to find a time when she could visit, between March and June of 2023.

I am a marketing director at a radio station, and my wife Kate Schueler is a teacher in Seattle Public Schools. Our total income is approximately \$200,000 per year – which means that we have the ability to financially support Victoria as our guest with accommodations and any necessities. She will be staying with us at the address I stated above, during which we will be fully responsible for her. We own a house that has an extra room in it, which we will give to Victoria to use, during her stay.

During Victoria's visit, we will travel within the states to visit parks, family activities, and our local extended family. We also hope to visit restaurants, stores, and other locations that she misses from her time here in Seattle. Once this stay has come to an end, Victoria will be returning to her home country.

Victoria will present to you this letter, along with the supporting documentation necessary to obtain her visa. We hope that you would kindly consider this request, as I assure you that she will return before the expiration of her stay.

With Respect,

Dashel Schueler
